

*Inside or Out...*

*'Art Deco' or 'Old World Charm'...*

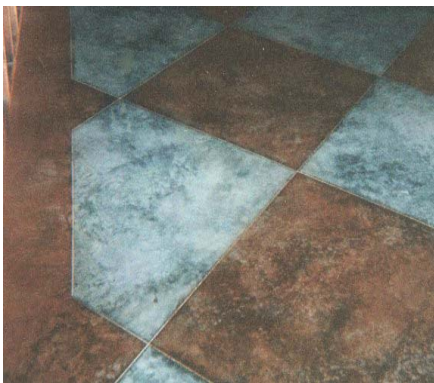

*New or Existing...*

**COUNTERTOPS**

**INTERIOR FLOORING**

**COLOR CHEMICAL STAINS**

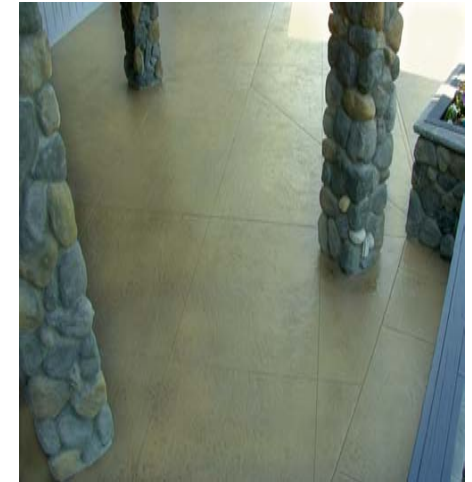

**from ordinary...**

***Surprisingly Versatile...***

**... to EXTRAORDINARY!**

***Exceptionally Durable!***

*Concrete today takes on any color, texture or shape you can envision. With the style and character of decorative concrete, both exterior and interior, it has become an integral part of the design and décor of your home or business. Garmon Concrete will create new or transform your existing concrete into a lasting asset that enhances the prestige and value of your investment.*

*Ed Garmon's over 27 years of experience ensures that all aspects of your project, from the ground up, will be completed with meticulous attention to detail, and feature the superior quality craftsmanship for which he is known.*

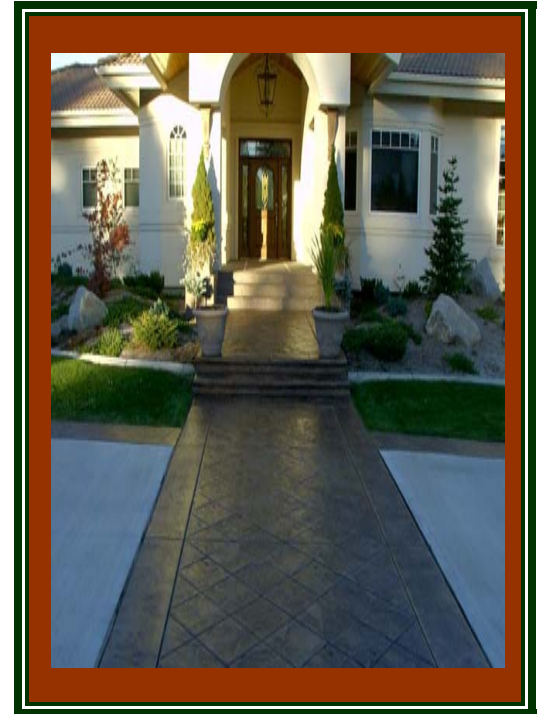

*Ed & De'Laine Garmon look forward to meeting with you to discuss your project. Call now to schedule your personal consultation.*

*“You provide the inspiration, we provide the experience and expertise to make your dream a reality.”*
